#### 7-01-11 johnson street bridge

The Department of Public Works would like to give notice that the south (east bound) traffic lane and sidewalk of the Johnson Street (STH 23) Bridge, between Military Road and Hickory Street, will be closed for about 2 weeks beginning June 27th. The lane closure is due to bridge painting. In about two weeks the south lane will be re-opened and the north outside lane will be closed while that railing is repainted. The bridge will be open to traffic with two lanes open in one direction and one lane open in the other direction next to the painting operation. There will not be a detour route marked.

#### 7-01-11 fdl county sheriff's department law of the month

Slower traffic keep right - Drivers must allow faster traffic to pass in the left lane on divided highways. Many divided highways in Wisconsin have signs that warn "slower traffic keep right." That advice is backed by state law - Wis. Stats. 346.05(3). Any vehicle traveling "at less than the normal speed of traffic" must be driven in the right lane (or as close as practicable) except when overtaking or passing another vehicle, according to Wisconsin law. A citation for violating this law costs \$213.10 with four demerit points assessed on the driver's license. Even when you're driving at the posted speed limit, you should not try to force faster drivers to slow down by blocking the left lane, which usually leads to more tailgating, road rage and other problems. It certainly doesn't slow down other drivers for long. We hope that drivers will leave enforcement of speed limits to our deputies and other law enforcement officers. If faster drivers want to waste gasoline and risk a speeding ticket, you should move to the right lane and get out of their way. The Sheriff's Office advises motorists to follow these guidelines to help maintain a safe flow of traffic on Interstate and other divided highways:

- \* If you're not passing another vehicle, use the right lane as much as possible.
- \* If you're in the right lane, allow other drivers to merge from the left lane into the right lane so that faster traffic can pass in the left lane. In addition, provide space for vehicles to merge into the right lane when they are entering a roadway from an on-ramp.
- \* If you're in the left lane, don't tailgate or try to make a slower vehicle ahead of you move to the right lane. Be patient and courteous.

When slower moving vehicles use the right lane, traffic flows more smoothly with less congestion and road rage, which certainly helps make our highways safer and more efficient. Have a Safe Month,

Sheriff Mck Fink

#### 7-01-11 fdl police department law of the month

As we near the onset of July, area law enforcement will undoubtedly see an increase in the incidence of fireworks complaints. Though this is an enjoyable time of the year for many and the celebration of the birth of our great nation, the use of fireworks at all hours of the day and particularly during hours of darkness are an annoyance and a quality of life issue for the citizens of Fond du Lac. Being proactive in our enforcement of these complaints will hopefully decrease the incidence of them, keeping officers free for other more high priority calls. Here are some general guidelines pertaining to fireworks.

1. Rule of Thumb: If it explodes or flies, it is illegal.
2. State allows the sale, possession and use, without a permit, of sparklers, stationary cones and fountains, toy snakes, smoke bombs, and caps, noisemakers and confetti poppers with less than 1/4 of a

grain of explosive mixture. There is no age restriction on sale, possession or use of these devices and the statute does not classify them as fireworks. These are the only kinds of "fireworks," as that word is commonly used, that a person may use or possess without a permit or that may be sold to a person who does not have a permit.

3. The permits that you receive or buy from the fireworks stands are NOT legal fireworks user permits. The City of Fond du Lac does not recognize any permits not issued directly from the City Clerk.

4. If you are caught in possession of fireworks without a valid users permit or license, you will have your fireworks confiscated and you will be fined (\$208.50).

5. To report fireworks complaints, please dial 906-5555.
